University of Massachusetts
Depository Copy

Dear Buyer,

An amazing variety of Massachusetts specialty products await your discovery and enjoyment. As you peruse the pages of our new directory, I think you will agree that there is something to please everyone looking to purchase special, high quality products.

Many items are perfect for gift-giving throughout the year.

A gift pack of McIntosh or other Massachusetts-grown apples, along with maple syrup, preserves, and cheeses makes a unique gift that will brighten the holidays or other special occasions at any season of the year.

Specialty herb vinegars and honey, homemade baked products or wool products, unique dried flower arrangements—all of these and more are listed here. Many producers will mail order their products.

We hope you will take the time to read this directory from cover to cover. We guarantee you will find what you are looking for... or didn't even know you wanted!

Please call us anytime with your comments. We look forward to hearing from you.

With best regards,

Jonathan L. Healy
Commissioner
Massachusetts Department of Food and Agriculture
